

EMERGENCY SCHOOL CLOSING INFORMATION

In the event that it becomes necessary to close schools during the school year due to inclement weather or other emergencies, the following local radio and television stations will broadcast that information:

WGRZ Television (Channel 2)
WIVB Television (Channel 4)
WKBW Television (Channel 7)
WBEN Radio (930 AM)
WLVL Radio (1340 AM)

Announcements will be made as early as possible (normally between 6:00 and 7:00 a.m.) Staff, parents and students are asked to refrain from calling the schools or the transportation department to obtain closing information. Do not make the assumption that the district is closed because you have heard that other area schools have closed. Royalton-Hartland students will not be transported to placements for students with disabilities, private or parochial schools on days that the public schools are closed for inclement weather.

Afternoon and evening activities are cancelled when the schools have been closed for weather related emergencies.

Parents are urged to thoroughly discuss with their children any necessary arrangements for supervision the parents want followed in the event that the schools are closed early after the school day has begun.
