Grading Policy

In-Class Projects	40%
Quizzes	40%
Final Examination	20%

Participation, In-Class Projects:

Students will be required to participate and ask questions daily during class. Also, students will be required to discuss and research various real world topics that students will encounter in their future as adults.

Quizzes/ Unit Tests:

Most quizzes/tests will be notified in advance.

Final Examination:

The final examination will be a cumulative examination covering all topics discussed.

Expectations for Students

- The students will be **prompt, prepared and attentive** for class.
- The student will demonstrate self control and be respectful to others (students and teacher). Basically, treat others the way you like to be treated! The behavior of the student in class should add to the learning environment.
- The students will use appropriate language for school.
- The students will participate and ask questions in class in an appropriate manner.
- Cell Phones and other electronic devices are **not allowed**.
- Students must remain in class. No passes will be given to lavatory, locker or drinking fountain unless for an emergency.
