

Roy-Hart National Honor Society Volunteers at Local Food Pantry

This past Wednesday, Royaltan Hartland's National Honor Society helped set up for distribution day at a local food pantry. The members of National Honor Society bagged over 60 meals for people in need. We are really appreciative that the Zion Lutheran Church in Gasport provided us the opportunity to give back to the community. It was a really fun bonding experience for the group and we are eager to do more events like this in the future!
