August 22, 2022

Dear Royalton Hartland School Community Member:

On behalf of the Board of Education, I offer you my best wishes and hope that you and your family are taking advantage of the wonderful summer weather we've been enjoying! As we work through the month of August, we are preparing to begin our search for a new Superintendent of Schools in earnest as school opens next month.

The Board of Education is committed to an open, transparent search process and seeks to include the community in the process to the maximum extent possible. Earlier this summer, the Board engaged in thoughtful discussion about the qualities that we hope to find in our new Superintendent. However, we would like to add the voices of our community members to this conversation as well.

A community survey has been prepared to offer our residents a chance to weigh in on the most important qualities of the new school leader. You can find the [community survey](https://shorturl.at/ckORT) at the following website:
shorturl.at/ckORT

The Western New York Educational Service Council is assisting the Board in the search process. Its Executive Director, Anthony Day, will compile the results of the survey and present them in public at our September Board of Education meeting. I hope you will take a few moments to offer your thoughts. The survey will close to public input on Tuesday, September 6th.

Thank you in advance for your participation!

Respectfully submitted,

Carol Blumrick, President
Royalton Hartland Schools Board of Education
