Once Upon a Mattress is the musical of "The Princess and the Pea" story. In this light-hearted version, Princess Winnifred must prove that she is a "true" princess by passing Queen Aggravain's not-so-fair test. The queen has decreed that no one in the kingdom may marry until her son, Prince Dauntless, is wed. The problem is that the queen will not allow just anyone to marry her son. This law is an obstacle for many of the kingdom's people, especially Lady Larkin & Sir Harry.
